Calendar of Events

January 25-February 1, 1986
"Ninth Annual Infectious Diseases in Clinical Practice" will be held at the Conference Center, Snowmass at Aspen, Colorado. The program is sponsored by Extended Programs in Medical Education, University of California San Francisco, School of Medicine. Fees are $375 for physicians, $325 for allied health professionals, and $275 for interns and residents. Twenty-four AMA/CMA Category I credits are available. For information contact Terri Van Alen, Infectious Diseases Division, San Francisco General Hospital, 1001 Potrero Avenue, 5H22, San Francisco, CA 94110, or call (415) 821-8200.

March 3-14, 1986
"Management Skills for Infection Control Nurses" will be sponsored by the Centers for Disease Control in Atlanta, Georgia. This course is for the nurse who has, within the last six months, assumed responsibility for an infection control program in an acute care facility. For information contact the Registrar's Office, Center for Professional Development and Training, CDC, Atlanta, GA 30333.

March 7, 1986
"Medical Ethics" will be held at the Battenfeld Auditorium at the University of Kansas Medical Center in Kansas City, Kansas. For information contact Carole Rosen, Promotions Coordinator, Office of Continuing Education, University of Kansas Medical Center, 39th and Rainbow Blvd., Kansas City, KS 66103, or call (913) 588-4480.

March 19-28, 1986
"Surveillance, Prevention, and Control of Nosocomial Infections" will be sponsored by the Centers for Disease Control in Atlanta, Georgia. This course is for nurse practitioners with six months experience in infection control in acute care facilities with 200 or more beds. For information contact the Registrar's Office, Center for Professional Development and Training, CDC, Atlanta, GA 30333.

March 28, 1986
"AIDS: Are You At Risk?" will be held at the Battenfeld Auditorium at the University of Kansas Medical Center in Kansas City, Kansas. For information contact Carole Rosen, Promotions Coordinator, Office of Continuing Education, University of Kansas Medical Center, 39th and Rainbow Blvd., Kansas City, KS 66103, or call (913) 588-4480.

April 28-May 2, 1986
"Infection Control in Small Hospitals and Extended Care Facilities" will be sponsored by the Centers for Disease Control in Atlanta, Georgia. This program is for nurses with six months experience in infection control in acute care facilities. For information contact the Registrar's
